ⓘ Details [Learn more](#)

In your report for **one** of the reasons listed below:

Compatibility references are not enforceable

Trademarks or brand names to indicate compatibility of a product with such a brand is a violation of Amazon's intellectual property policy. If you believe this decision was made in error, submit a new report with clarifying information indicating that this is trademark infringement.

Descriptive uses of word mark is acceptable

Amazon does not remove descriptive, non-infringing uses of trademarked words. If you believe this decision was made in error, submit a new report with clarifying information indicating that this is trademark infringement.

Hello,

Thank you for your report of infringement. We reviewed your report and altered or **removed the reported content** based on the information you provided. The detail page may not show the changes that were implemented for up to 24 hours.

Reported content has been removed.

This action helps protect your brand and intellectual property rights on Amazon.

ASIN: B0FLYGDKKX
Complaint ID: 18691387691

We have provided your email address and the additional information you shared in your complaint to the reported sellers. You may be contacted by them to provide a retraction for this report. If no retraction or successful appeal is made, the original action will remain in place and reported sellers will not be able to re-list on the reported ASINs. Retracting this complaint would allow the reported sellers to re-list on the reported ASINs.

To retract a complaint submitted from Brand Registry, please use the "Retract a complaint" link in Submission History (<https://brandregistry.amazon.com/brand/submission-history>).

To retract a complaint submitted from the Report Infringement Form, use the Retraction Form (<https://www.amazon.com/report/infringement/retract>). You will need the complaint ID provided above to submit a retraction.

CONTENT REMOVED
Amazon has removed the reported content.
