Hello,

We received your counter notice and the same will be processed and sent to the complainant within 48 hrs. Please note that per Digital Millennium Copyright Act (DMCA) the complaining party has up to 10 business days from their receipt of your original counter notice to file a lawsuit in response. The DMCA also requires your listing(s) to remain disabled during this 10 business day period. Should the complainant file a lawsuit in response, you will be notified of the same and the content will remain inactive. Please be patient with us as this process may take up to 16 days before we can respond with a decision on your reinstatement request. No further action is required from you at this point.

For more information about Digital Millennium Copyright Act (DMCA), please visit the U.S. Copyright Office website (<https://www.copyright.gov/>).
